

The Great Reset and the Great Tribulation

Some global elite people are promoting a Great Reset of the global economy, and the Bible teaches that God's people – both Jewish and Genile Christians – must go through a time of Great Tribulation. Careful examination of both shows that we can expect big trouble in the years ahead, so we should try to prepare. The good news is that the LORD Jesus Christ is coming back to stop all the evil and bring in everlasting righteousness.

The Greatest Ponzi Scheme

For many years, honest economists and people who believe in honest weights and measures have warned that our current global monetary system based on debt is not sustainable. From the very beginning, it has been a Ponzi Scheme run by rich bankers and politicians.

A Ponzi scheme is a form of fraud that lures investors and pays profits to earlier investors with funds from more recent investors. It can maintain the illusion of sustainability as long as new investors contribute new funds, and as long as most of the investors do not demand full repayment.

The entire system was designed to fail, and it is the biggest bubble in history. When it pops, most people will be shocked. But a new system has been planned for many years.

The Great Reset

For many years, this has not been the official narrative of central banks and mainstream media, but in recent years, people from the World Economic Forum (WEF) have been promoting the idea that a

“Great Reset” of the global financial system is a good idea. However, they are not advocating going back to a gold-backed currency system. No. Instead, they are advocating a cashless blockchain-based monetary system.

This new system will give the global elite greater control over buying and selling. It will also give them greater wealth because they will receive transaction fees from daily transactions of billions of people all over the world. It will be like a hidden tax that goes directly into their pockets.

According to the phoenix strategy, big change requires burning the old system to bring in the new system. This means that the process of change will require pain. This dovetails with Bible prophecy.

The Great Tribulation

The Great Reset will be followed by (or perhaps be part of) the “Great Tribulation” that is mentioned in Matthew 24:21 and Revelation 7:14. This time is (or includes) a 42-month period of great trouble, such as never was since there was a nation (Daniel 12:1). The Bible explicitly warns God’s people of what they should expect to experience during this period:

- 1. A global leader will exhaust the holy ones of the Most High, and he will alter the seasons and the law (Daniel 7:25).**
- 2. This global leader will scatter the power of the holy people (Daniel 7:25).**

3. People will continually be departing from God as they receive the “abomination that causes desolation” in their bodies (Daniel 11:31, 12:11). Their bodies were designed to be the true Temple of God (Acts 2:1-4; 1 Corinthians 3:16,17, 6:19,20; 2 Corinthians 6:16; Ephesians 2:21,22), but they didn’t love the truth, so God sent them a strong delusion (2 Thessalonians 2:10,11). This abomination includes Luciferase-coated quantum dots, graphene oxide-coated quantum dots and some other nano technologies (Daniel 2:43, 12:11). When a switch is flipped to activate a process of DNA origami, their DNA will become quantum annealing processors, and they will be quantum entangled with a global quantum

computing system. Then, Satan and the global leader will dwell in these people's bodies and minds (2 Thessalonians 2:3,4). This will enable him to control their thoughts and memories and actions. It will be a 24/7 communication system that is a digital counterfeit of God's communication system.

- 4. Gentiles will be trampling on the holy city (Jerusalem), i.e., whatever is going on there or on the Temple Mount will not be holy but will be Satanic. Even if it is presented as being the Temple of God (Revelation 11:2), it will still be evil because the real Temple of God is the bodies of God's people (Acts 2:1-4, etc.). Only when the LORD Jesus Christ (Messiah the Prince) returns will there be a holy**

temple building again in Jerusalem (Ezekiel 40-46). Any animal sacrifices done prior to His return will be unholy and insulting to Him (Hebrews 9:23-10:31). He already declared that it should be desolate until He returns (Matthew 23:37-38). Therefore, nothing can cause it to be further desolated.

- 5. Two witnesses (perhaps Moses and Elijah) will prophecy and perform miraculous signs in Jerusalem to help people trust in the LORD Jesus as their true Messiah (Revelation 11:3-6, Zechariah 4:3,11,14). Perhaps other cities around the world will have similar witnesses doing similar prophesying and miracles by the power of God.**

- 6. God's holy people of Jewish descent will flee to a place of refuge prepared by God in the wilderness (Revelation 12:6).**
- 7. Satan and the global leader will make war with God's people who are not of Jewish descent (Daniel 7:21, Revelation 12:17).**
- 8. The 7-headed global Beast kingdom and the global leader will be saying insulting things against God and His name and His tabernacle (Daniel 11:36, Revelation 13:5,6). The tabernacle is the bodies and DNA of God's holy ones.**

Trouble to Expect

Below is a list of troublesome things that we can expect during the 42-period of great tribulation. The list is based on statements from global leaders as well as Bible prophecy. The timing and sequence of events is unknown, but they could happen soon. Some may even happen prior to the Great Reset!

All are ultimately caused by God as a test. God is allowing evil people using strong AI to run simulations and combinatorial optimization on quantum computers to design and plan all or most of these things.

1. Digital assets evaporate

An unknown event will trigger stock markets around the world to crash, causing a bank holiday.

Millions of people will lose all or most of their digital assets. Some will become angry and start riots in some cities. This is related to the red horse seal of Revelation 6:4. When a new blockchain system is introduced, it will only be accessible to people who have received the Mark of the 7-headed Beast. Since the majority of the world's population already had this Mark in early 2022, many of the remaining normal humans will accept it too. By this time, commercial air travel and public transportation will probably also require the Mark in most countries.

2. Internet switched off

Something – perhaps a cyberattack – will cause the internet to be shut down in major

cities. Internet addicts will suffer withdrawal symptoms, and some may become violent. When a new and more secure internet with enhanced features is introduced, it will only be accessible to people who have received the Mark of the 7-headed Beast. Since many normal humans are addicted to the Internet, many of them will accept the Mark to get back online. Holdouts will need to live without the internet for the rest of their lives.

3. Global famine

Supply chains will be disrupted all over the world, and there will be food shortages; billions of people will become hungry. It will cost a day's wages for a man to feed his family for one day. This is related to the black horse

seal of Revelation 6:5,6. Some governments may provide relief for people who have received the Mark but not for others. Thus, people who do not want the Mark will be wise to store up food in advance to prepare for this time.

4. Hunger riots

When people are hungry, some will become angry and start riots in some cities. This is also related to the red horse seal of Revelation 6:4. Cities will not be a good place to live anymore, so it will be best to already have a place to stay outside urban areas prior to this time.

5. Civil war

Some riots may grow into civil war. This is also related to the red horse seal of Revelation 6:4. Some prudent people will be out

of cities by this time to avoid being in a war zone.

6. International war

Some armies will make their move to take over certain strategic countries. This is also related to the red horse seal of Revelation 6:4.

7. 10 kings

10 kings will arise to govern 10 global regions of the New World Order (Daniel 7:23,24; Revelation 13:1, 17:3,12,13).

8. Antichrist

The 10 kings will support a charismatic global leader will be chosen to lead the New World Order (Daniel 7:17,24,25; Revelation 17:13); he is closely tied to the WHO and major governmental, scientific,

technological, religious, legal and corporate interests.

9. Pandemic

A new virus will be released to kill millions of people in cities around the world. This is related to the pale or green horse seal of Revelation 6:8.

10. WHO treaty

The World Health Organization (WHO) will enact a treaty with most nations, promoting “Health for Peace and Peace for Health.” However, when people are saying “peace and safety” then sudden destruction will come upon them (1 Thessalonians 5:2,3).

11. New health care system

The new global leader and the WHO will formally introduce a

new gene therapy health care system that is only accessible to people who have received the Mark of the 7-headed Beast.

12. Final solution

The WHO and various private interests will roll out a final solution for infection by viruses – perhaps some form of sub-unit protein-based therapy delivered via a microneedle array patch. It will be promoted as safer than the first version of the Mark of the 7-headed Beast, and people will be able to apply it themselves in their right hands or foreheads. Faith in Jesus Christ and the Bible will be important for holdouts to continue to hold out.

13. Final drama

“Those who act wickedly against the covenant he will corrupt with his blandishments [flattering, persuasive words], but the people who know their God will stand firm and prevail. Those among the people who have discernment will cause the rest of the people to understand what is happening; nevertheless, for a while they will fall victim to sword, fire, exile and pillage. When they stumble, they will receive a little help, although many who join them will be insincere. Even some of those with discernment will stumble, so that some of them will be refined, purified and cleansed for an end yet to come at the designated time.” (Daniel 11:32-35 CJB)

14. Final harvest

The Gospel of Jesus Christ will be preached to all the unreached peoples (mainly those who live outside cities) and then the end will come (Matthew 24:14).

Be prepared!

The Great Reset could happen very soon, and the final 42-months of great tribulation could thus begin soon. Again, the timing and sequence of events is unknown. However, it is wise to be prepared.

“For man also knows not his time: as the fishes that are taken in an evil net, and as the birds that are caught in the snare; so are the sons of men snared in an evil time, when it falls suddenly upon them.”

– Ecclesiastes 9:12

“You yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, ‘Peace and safety,’ then sudden destruction will come upon them, as labor pains come upon a pregnant woman; and they shall not escape.” – 1

Thessalonians 5:2,3

The good news!

The LORD Jesus Christ is coming back after the 42-month period to take His Bride to the Great wedding banquet (Revelation 19:7-9). His bride is the entire set of people throughout history who have repented of their sins and trusted in Him. This wonderful event is called the resurrection or rapture of the true Church of the LORD Jesus Christ, and it includes both Jews and Gentiles who trusted in Him. It

will happen at the last (7th) trump (Matthew 24:30,31; 1 Corinthians 15:51,52; 1 Thessalonians 4:17; Revelation 10:7; 11:15). Then, the final bowl judgments will finish the wrath of God upon an unbelieving world and those who received the Mark of the 7-headed Beast. This may last for 30 days (1290-1260=30, Daniel 12:11) prior to the victorious return of the LORD to destroy the Beast system and the Antichrist and the false prophet (Revelation 19:11-21). Then, there will be a 45-day clean-up period (1335-1290=45, Daniel 12:11,12) prior to the start of the 1000-year reign of the LORD Jesus Christ on earth (Revelation 20:1-6).
