

Scientism: the End Times Global Religion

For the first time since the Tower of Babel (Genesis 11:1-9), all the world is now under a single worldwide religion called Scientism. Here is a brief description of its characteristics.

1. **Idolatrous**: promotes the worship of science and technology as a god (Exodus 20:3, 1 John 5:21)

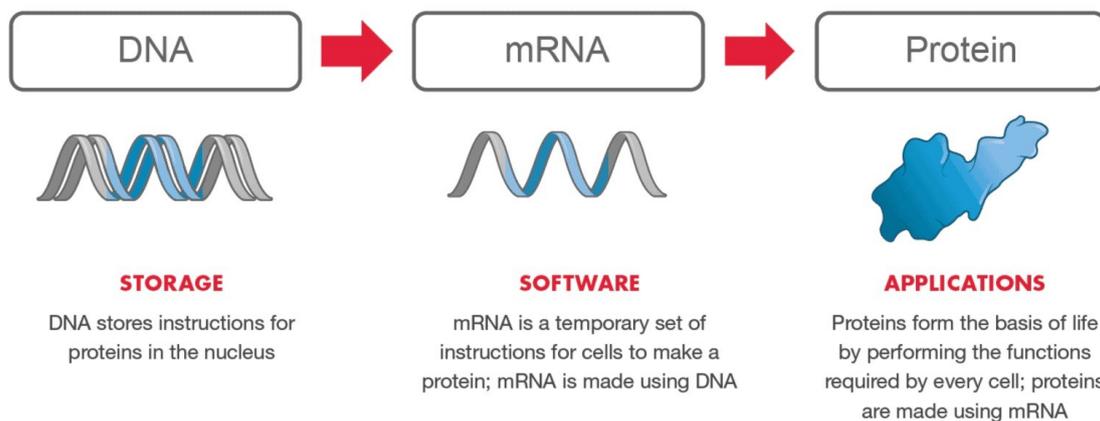

2. **Blasphemous**: ignores or defames the LORD Jesus Christ, the Creator of all things (Psalm 139:13-16), i.e., makes Him lose face and steals His glory (Revelation 4:11, 13:6)

3. **Unrighteous**: promotes the belief that only science and technology can produce truth about the world and reality; ignores or suppresses Bible teachings about God and His creation (Romans 1:18-22; 10:3,4)
4. **Foolish**: ignores God (Psalm 14:1) and is exclusively man centered, i.e., promotes the idea that man is the master of his fate and can solve all his problems through his own knowledge and skills
5. **Proud**: claims that it can improve upon the perfect design of the human body (the tabernacle of God – 1 Corinthians 6:19,20), including its perfectly designed innate and adaptive immune system and its DNA (Revelation 13:6)

6. **Deceptive**: uses pseudo-science (1 Timothy 6:20,21) funded by evil rich men to trick adherents into believing ideas that are false

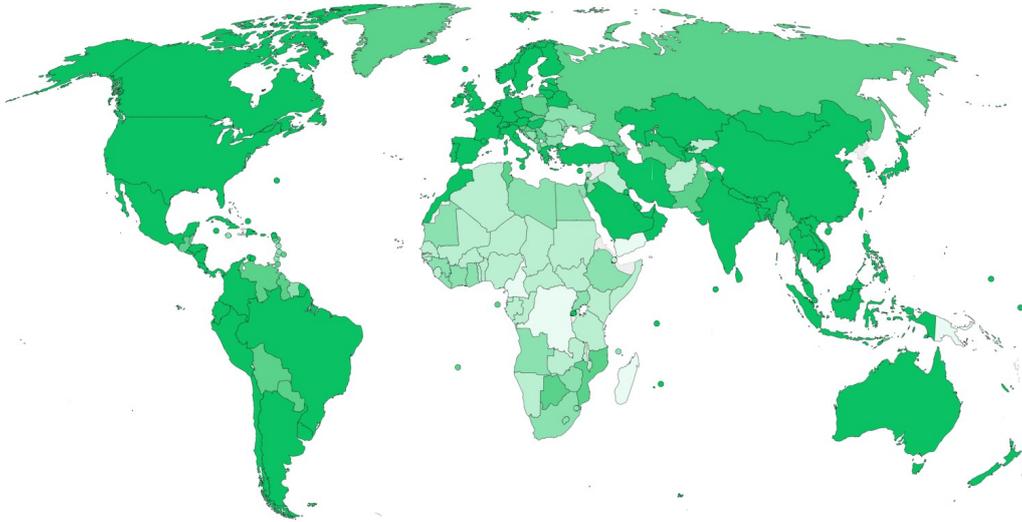

7. **Infiltrating**: associates itself with good empirical science in order to gain credibility (2 Peter 2:1)
8. **Rebellious**: ignores God's purpose in sending sickness, which is to help people learn righteousness (Isaiah 26:9)
9. **Cruel**: prevents the Spirit of God from healing supernaturally (James 5:14,15) and sometimes even causes health issues or death (John 10:10)
10. **Monopolistic**: ignores or belittles other forms of health care, e.g., naturopathy and chiropractic
11. **Mystical**: uses technical jargon so that most common people require a professional priest (someone with a PhD) to explain it

Priests of the Church of Scientism

12. **Hive mind-oriented**: priests must always repeat the basic tenets of scientism, avoid mentioning the Bible as a source of authority for truth (Revelation 13:4), and compartmentalize their lives so they do not offend the god of science and lose their jobs (Matthew 6:24)

13. **Pervasive:** already accepted by most countries around the world
(Daniel 7:23)

14. **Satanic:** will formally have power over all nations for 42 months after the WHO treaty is enacted (Luke 4:6, 1 John 5:19, Revelation 13:4,5)
